While your institution is commemorating Lewis and Clark's 200th anniversary, have you considered the Native American's perspective of the Corps of Discovery?

Native American Artist John Potter depicts four encounters from the Indian point of view. Enclosed is a brochure describing his prints in more detail.

Please use the order form below. Or you may call us directly at 503-293-9414, or visit us @ www.bonniekahngallery.com to order.

The retail price, \$30 each. For orders of five or more, \$15 per print. Please include \$10 for shipping and handling.
